Day 3: Wednesday, August 26th, 2026 – Stonehenge and Salisbury City

Depart for Stonehenge

The Neolithic stone circle of Stonehenge in the Wiltshire countryside is one of the most famous wonders of the world. Dating back to approximately 3000 BC, the circle of huge upright and horizontal rectangular stones continues to fascinate academics, spiritualists and visitors. How and why did hundreds of people transport five-ton stones from all over the South of England and Wales to create a monument that has no obvious function?

Salisbury City

A medieval cathedral city known for its rich history and stunning architecture. Salisbury is a blend of historical significance and contemporary culture. The cathedral boasts the tallest church spire in the UK and houses the four original copies of the Magna Carta
